About Centers for Medicare & Medicaid Services (CMS) Star Ratings for Home Health Agencies:

CMS Home Health Compare uses a star rating between 1 and 5 to show how a home health agency compares to others on measurements of their performance. The star ratings are based on 8 quality measures that give a general overview of performance. Ratings are calculated from rehospitalization claims data, OASIS collection data, and patient survey results. Visit [medicare.gov/homehealthcompare](https://www.medicare.gov/homehealthcompare) for the most up-to-date star ratings.
